

# PINCHBAR

## NON-SPARKING

**EGA Master** Non-Sparking Tools are the best alternative for non-sparking application purposes in potentially explosive environments. All tools are forged after casting to achieve the best quality in the market, both in mechanical properties and attractive finishing.

**EGA Master** manufactures a wide range of non-sparking tools among which you can find different models of pinchbars.

### PINCHBARS

| COD   |         | L<br>mm | Kg. |
|-------|---------|---------|-----|
| Cu-Be | Al-Bron |         |     |
